ZELTWANGER LEAK TESTING & AUTOMATION LP
TERMS AND CONDITIONS OF SALE AND SERVICE**

NOTICE: THIS TRANSACTION BETWEEN ZELTWANGER CNC MANUFACTURING LP (“**SELLER**”) AND BUYER, AND ALL DOCUMENTS PERTAINING TO THIS TRANSACTION, ARE SUBJECT TO AND CONDITIONED UPON THESE TERMS AND CONDITIONS OF SALE (“**TERMS**”) AND THESE TERMS ARE INCORPORATED BY REFERENCE INTO AND ARE A PART OF ALL TRANSACTIONS BETWEEN SELLER AND BUYER.

1. Order Process; Acceptance; Additional or Conflicting Terms.

(a) “**Sales Documents**” means any quotation, proposal, statement of work (“**SOW**”), order confirmation, order acceptance or invoice in any case issued in writing and signed (including via email or electronically) by an authorized representative of Seller. Any documents attached to the Sales Documents, such as drawings, data concerning weights and measures, are approximates only unless specifically marked as binding. Buyer’s purchase of (i) Products (defined below) from Seller and/or (ii) any Services (defined below) Seller provides will be governed solely by these Terms and the Sales Documents (collectively, the “**Contract**”). In no event will Buyer’s terms in any purchase order or otherwise apply to, nor will Buyer’s proposed additional or different terms modify, the Contract unless Seller expressly includes the proposed terms in the Sales Documents. **Seller hereby objects to and rejects any additional or different terms or conditions proposed by Buyer or contained in any purchase order, commercial document or other correspondence from Buyer, regardless of any knowledge Seller may have of such terms, and such terms will not bind Seller or be applicable to the transaction (even if Buyer’s purchase order is referenced in the Sales Documents).** If any of these Terms conflict with the Sales Documents, the specific terms in the applicable Sales Documents will prevail over these Terms. The applicable terms of any revised or later Sales Document will control over such terms in a prior, similar Sales Document. No other terms or changes, modifications, amendments or waivers of any terms in a Contract will apply to Seller unless in writing and signed by an authorized officer of Seller.

(b) All sales of products and any other goods sold by Seller (individually, “**Product**” and collectively, “**Products**”) and any services (“**Services**”) of Seller are contracts entered into in South Carolina and then only in accordance with the Sales Documents. Seller’s acceptance of the sale of any Products to Buyer is dependent on Seller’s prior approval of Buyer’s credit. Buyer agrees that Seller may demand assurances of Buyer’s ability to pay by requesting such trade or actual banking references or such other information as deemed adequate by Seller.

(c) Seller will sell Products and provide Services to Buyer in the quantities and at the times set forth in the Sales Documents. Seller shall be entitled to use subcontractors to meet any of its obligations under the Contract. Buyer may order Products by submitting written purchase orders that reference Product(s), quantity per Product, and requested delivery date. Buyer may request Services by submitting an SOW describing Services and referencing a performance date. All orders and requests submitted to Seller for Products or Services are subject to acceptance by Seller and only the terms of the Sales Documents will apply. Any quotation for Products or Services by Seller shall be valid for no more than 90 days from the date of Seller’s quotation and, if based on technical details (e.g. illustrations, drawings, and/or details of weights and measurements) provided by Buyer to Seller, shall only be binding if the Products can be produced in accordance with such technical details. Final lead times and delivery dates will be those included in Seller’s Sales Documents. Seller’s acceptance may be in writing (such as via an order confirmation), including electronically or via email, or by delivery of Products to Buyer or performance of Services for Buyer. Upon Seller’s request, Buyer shall provide written acceptance of Seller’s quotation or proposal for the sale of Products and/or Services and, if Buyer does not provide such written acceptance to Seller within five (5) business days of Seller’s request, Seller shall have the option to withdraw the quotation or proposal and shall not be bound by any such order.

(d) Buyer may not cancel or change a Contract except with the prior written consent of Seller. Seller may change a Sales Document at any time to correct mathematical or clerical errors or may propose a modification, including any adjustment to the price, in the event that it is determined that an order cannot be filled in accordance with Buyer’s technical specifications. If Buyer accepts the modification, then Buyer shall be deemed to have accepted any such price adjustments as well. In the event that Buyer does not accept such a proposed modification to the Contract, Seller shall have the right to rescind the Contract without penalty, provided, however, that in the event that it is determined that the order could not be filled due to fault of the Buyer, then Seller may terminate the Contract, but also invoice Buyer for any costs incurred.

(e) In the event that Seller provides sketches, drafts, samples, or similar preliminary work prior to the placement of an order by Buyer, Seller may invoice Buyer for such work at cost in the event that no order is placed. Any such sketches, drafts, samples, or similar work remain the property of Seller.

2. Prices; Payment; Default.

(a) All prices for Products and Services will be as specified by Seller in its Sales Documents. If no price has been specified in the Sales Document, the price will be Seller’s standard price in its catalogs or price lists in effect at the time of delivery. Seller reserves the right to increase stated prices in the event that Seller’s suppliers increase prices of related primary materials between the date of the Contract and the scheduled delivery of Products or Services if the delivery date for the Products or Services is more than four (4) months after execution of the Contract. All prices from Seller must be in writing and may be changed at any time by Seller. Buyer will also reimburse Seller for all reasonable travel and out-of-pocket expenses incurred by Seller in connection with the performance of Services.

(b) The prices do not include any sales, use, personal property, excise, transfer or other tax, nor any duties, import duties, or other assessment, arising out of or related to Products, Services, or their respective purchase and sale which may be imposed by any governmental authority, all of which will be the obligation of, and paid by, Buyer. In the event that Seller pays any such tax, duty or assessment, Buyer will reimburse Seller in accordance with the terms of **Section 2(c)** below. Buyer is responsible for obtaining and providing to Seller any certificate of exemption or similar document required to exempt any sale from sales, use or similar tax liability.

(c) Unless expressly specified otherwise in the Sales Documents, Buyer will pay all amounts due in full, and without deduction or setoff within thirty (30) days after the date of the invoice, regardless of any dispute or controversy that may arise. Buyer will make all payments under a Contract by wire transfer, cash, credit card, check, or such other payment method as Seller may specify from time to time and in U.S. dollars. Buyer is responsible for all credit card fees, wire transfer and other bank fees. The date of payment will be the date Seller receives payment in full. If at any time, in its sole discretion, Seller has any doubt or concern as to Buyer's financial standing or ability to perform its obligations, Seller may decline to make shipments, except upon receipt of a deposit or other satisfactory security or cash before shipment. Buyer will not withhold, offset or recoup any amounts it owes to Seller under a transaction, Contract, or otherwise against any other amount Buyer claims Seller owes to it.

(d) If Buyer fails to make any payments as and when due or otherwise defaults (i) interest will accrue from the date the payment was due until payment is received in full at the lower of 1.5% per month or the maximum amount allowed by applicable law and (ii) Seller may take any or all of the following actions: (1) suspend performance; (2) terminate a Contract for default; (3) require Buyer to pay the full Contract price and any interest, fees and other charges immediately; and (4) take any other actions or pursue any other rights or remedies under applicable law. Buyer will further reimburse Seller for all costs incurred in collecting any late payments, including attorneys' fees and expenses. Failure by Seller to charge interest on late payments or to exercise its other rights and remedies will not be construed as a waiver of any other legal or equitable remedies.

3. Termination or Suspension. Without limiting Seller's other rights and remedies available under a Contract, applicable law or in equity, Seller may suspend or terminate performance and delivery, if: (a) Buyer fails to perform or observe any other obligations under a Contract between Seller and Buyer; (b) there is a change in the control or management of Buyer; (c) Buyer ceases to conduct its operation in the normal course of business; (d) Buyer becomes insolvent or files for bankruptcy or has a bankruptcy proceeding filed against it; or (e) Buyer makes an assignment for the benefit of creditors, or a receiver, trustee in bankruptcy or similar officer is appointed to take charge of all or part of Buyer's property.

4. Delivery. Unless otherwise stated in Seller's order confirmation, all deliveries of Products are Ex Works (Incoterms 2010) Seller's facility located in Charleston, South Carolina or such other location as designated by Seller in writing ("**Delivery Point**") Seller may make partial or early deliveries. Buyer will take delivery of Products when Products have been made available at or delivered to the Delivery Point, whether or not delivery is a full or partial. The prices do not include any transportation, insurance, packaging or installation costs and Buyer is responsible for all such costs. Packing is at Seller's sole discretion, and packing charges will be calculated at a net cost price. Notwithstanding any requested delivery dates by Buyer, the delivery date in Seller's order confirmation will control. Any shipping or delivery schedule, quotation, forecast or commitment is only an estimate and Seller will not be liable for any delay or failure to deliver all or any part of any order for any reason. Seller will not be responsible for any damage to Products caused by a carrier and Buyer's sole recourse for such damage will be against the carrier. If Buyer delays, or is behind schedule to take delivery of Products at the Delivery Point more than thirty (30) days after such Products have been made available to the Delivery Point, Seller may, at its sole discretion, either (i) store Products until Buyer picks them up and Buyer will be liable for all related costs and expenses (including storage and insurance), (ii) dispose of such Products, in which case Buyer shall be liable for the full amount of the invoice along with any additional disposal costs, or (iii) sell such Products to another customer in which case Buyer shall be liable for the amount of any deficiency in the sales price to the new customer and any additional mitigation costs incurred by Seller. Unless otherwise stated in the Sales Document, Seller may issue an invoice (for full or partial deliveries) at any time after Products have been made available at the Delivery Point.

5. Services; Assembly. In connection with the sale of Products, Seller may provide services as specified in the Sales Documents at Buyer's facility. For the avoidance of doubt, such services constitute Services as that term is defined in **Section 1(b)** above and nothing in this **Section 5** will limit the application of all provisions related to Services in these Terms. Unless expressly specified otherwise in the Sales Documents, Buyer will comply with the following requirements, at its expense, in connection with Seller's Services:

Immediately and no later than seven (7) days after delivery of a Product or completion of a Service, Buyer must give written notice to Seller of any claim by Buyer based upon any alleged shortage, defect or discrepancy of Products sold or Services provided, and such notice must indicate the basis of the claim in detail. Buyer's failure to comply within the time specified in this **Section 6** constitutes irrevocable acceptance by Buyer of Products delivered or Services provided and will bind Buyer to pay to Seller the full price of such Products or Services. Products sold will not be returned without Seller's prior written consent and then only in accordance with Seller's then return policies (for example, Buyer may be required to package the Products for their return). In the event that Buyer knowingly accepts a defective Product.

(a) Subject to the provisions in these Terms and in the Sales Documents, Seller warrants that (i) when Products are delivered to Buyer, Products will materially comply with Seller's published specifications for such Products and (ii) when Services are performed, Services will have been performed in a workmanlike manner. The warranties provided in **Sections 7(a)(i)** and **(a)(ii)** are hereinafter referred to collectively as "**Limited Warranty.**" The Limited Warranty will apply for a period of twelve (12) months after the delivery date of a Product and for six (6) months after completion of Services (each, a "**Warranty Period**"). The Limited Warranty is conditioned upon Buyer following the claims process outlined in **Section 9(a)** below, which Seller may change from time to time. The Limited Warranty is limited to the Buyer only and is non-transferable. Buyer is solely responsible for proper selection of Products and their use and application, and Buyer has tested Products or otherwise determined their suitability for Buyer's intended use.

(b) Any depictions, projections, diagrams, illustrations and other descriptions or other information from Seller or its affiliates, applicable to Products, Services or a Contract, whether included in catalogs or otherwise, are descriptions or approximations only, and do not constitute any specifications, representations, warranties, or guarantees, implicitly or explicitly.

9. Buyer's Limited Warranty Claims.

(a) Buyer must give Seller written notice of any Products or Services which Buyer alleges do not conform to the Limited Warranty, specifying the alleged non-conformities (each notice, a "**Warranty Claim**"). Any Warranty Claim must be made within seven (7) days after Buyer is aware of the alleged non-conformity and, in any event, within the Warranty Period. Warranty Claims made after the Warranty Period are not valid claims. In any event, the Limited Warranty expires when, and no claims may be made after, the Warranty Period ends. In addition to the Warranty Claims process described in this **Section 9(a)**, Buyer agrees to follow any additional then current Seller Warranty Claims process, which may include obtaining from Seller a return authorization number in order to return any Product. If Seller requests it, Buyer will return, at its expense, any alleged non-conforming Product to a location designated by Seller for Seller to verify the claimed defect. Seller will have a reasonable opportunity to evaluate the Warranty Claim, including inspection of a Product or part thereof, to evaluate the alleged non-conformity and inspection of Services, including a site visit, to evaluate the alleged non-conforming Services.

(b) For any Products which Seller determines do not conform to the Limited Warranty, Seller's sole liability and obligation, and Buyer's sole and exclusive remedy, will be, at Seller's choice, to repair or replace such non-conforming Product. 13. No License. Buyer agrees and confirms that Seller's sale of Products and providing Services do not grant to Buyer any license or intellectual property or similar right applicable to or in Products or Services, or in any estimates, projections, drawings, illustrations, calculations, installation instructions or other document or information Seller provides to Buyer, and Buyer waives any and all such rights. Buyer shall not use Seller's name, logo, trademarks, trade names, trade dress, design, look and feel or other intellectual property or proprietary rights in any of its advertising, communications, publications or other work without the prior written permission of Seller and then such use shall be in accordance with the instructions and guidelines issued by Seller from time to time and any authority may be withdrawn or modified at any time. Seller retains ownership and control over all intellectual property including patents, trademarks, copyrights and goodwill applicable to or arising out of Products and Services. Buyer will not name or designate any Seller information or Products or Services in any patent application. Buyer may not alter or remove, and will abide by, any patent, trademark, copyright, trade secrets, proprietary or other notices, serial numbers, labels, tags or other identifying marks, symbols or legends contained on or in Products (including containers or packages) or Services.

14. Confidential Information. All confidential or proprietary information ("**Confidential Information**") provided by Seller to Buyer, whether in written or oral form, regarding Seller, the Products, or the Services will not be used by Buyer (except as necessary internally for use of Products) and will not be disclosed by Buyer to any person or entity unless the disclosure is agreed to in writing by Seller. Information generally available to the public is not Confidential Information of Seller. Buyer will not reverse engineer any of the Products.

15. Security Agreement. Buyer grants Seller a continuing first priority purchase money security interest in all Products sold or delivered to it and to the proceeds of those Products (collectively, "**Collateral**") to secure the full payment of the purchase price of Products and all other obligations of Buyer arising out of a Contract. Buyer authorizes Seller to file on Buyer's behalf all financing statements, continuation statements and other documents necessary or desirable to establish, perfect, maintain, preserve and enforce Seller's security interest in the Collateral.

16. Force Majeure. Seller will not be liable, and its performance (and delivery dates and delivery periods) will be deemed extended, for any delays or failure to perform directly or indirectly resulting from events and causes beyond its reasonable control, including accidents, acts of God, acts and omissions of any governmental authority, declared or undeclared wars, terrorism, explosions, strikes or other labor disputes, fires and natural calamities (including floods, earthquakes, storms and epidemics), changes in the law, delays in obtaining or the inability to obtain labor, materials, Products or Services through usual sources at normal prices, or the failure of Seller's suppliers to furnish parts or other goods.

17. Relationship. Seller is an independent contractor. Nothing in a Contract will be construed as creating a partnership, association or joint venture between the parties. Buyer will have no power or authority to enter into any commitment on behalf of or otherwise bind Seller on any matter including making any representation or warranty on behalf of Seller. No employee of either party will be deemed to be an employee of the other party.

18. Limitation on Actions. Unless prohibited by applicable law, Buyer must commence any action or proceeding that arises out of or relates to a Contract, Seller's breach of a Contract, Products or Services within the earlier of: (a) one (1) year after the claim or cause of action has accrued; or (b) the period prescribed by applicable statute of limitation or repose. Any action or proceeding Buyer does not commence within such period will be forever barred. The Contract contains Buyer's sole and exclusive remedies relating to a Contract, Products or Services regardless of the theory of recovery.

19. Choice of Law; Venue. The transaction and Contract, and any matter, dispute or controversy arising out of or relating to the transaction, Contract or Products or Services will be governed by South Carolina law, excluding its conflicts of law principles, and the provisions of the 1980 United Nations Convention on the International Sale of Goods ("**UNCISG**") are expressly excluded. 20. Miscellaneous. A Contract contains the entire agreement of the parties relating to the subject matter and supersedes all previous and contemporaneous agreements, understandings, usages of trade and courses of dealing, whether written or oral. A Contract will be binding on, and will inure to the benefit of, the parties and their respective successors, heirs and permitted assigns. Any consent, approval or agreement required or allowed by Seller may be given or withheld by Seller in its sole discretion and must be in writing and signed by an authorized representative of Seller to be effective. No delay or failure by Seller to exercise or enforce any of its rights or remedies under a Contract will be construed as a waiver of such rights or remedies. The express waiver of any right or remedy in a particular instance will not constitute a waiver of that right or remedy in any other instance. If any provisions of these Terms or any Sales Documents are held to be invalid, illegal or unenforceable by any court of competent jurisdiction, such provision(s) will be deemed to be severable and these Terms and any Sales Documents will then be construed and enforced in accordance with the remaining provisions. As used herein, the words "including", "include" and "includes" will not be deemed to be limiting. Buyer may not assign all or any portion of its rights or obligations under a Contract without Seller's prior written consent, and any attempted assignment without that consent will be void.
